

The People Behind *The New RE:view*

The New RE:view—A Journal of Practice is a publication of AER (The Association for Education and Rehabilitation of the Blind and Visually Impaired) and is provided as a benefit to all AER members.

The Editorial Board that governs *The New RE:view* (TNR) is responsible for establishing policies and procedures for the journal and for ensuring the ethical implementation of approved policies and procedures.

The Editorial Team of *The New RE:view* consists of the following AER members:

Executive Editor:

Mary Nelle McLennan, MA

American Printing House for the Blind, Retired

Assistant Executive Editor:

Jane Erin, PhD

University of Arizona, Retired

Executive Managing Editor:

William Wiener, PhD

North Carolina Central University

Associate Editors:

Danene Fast, PhD

The Ohio State University

Stacy Kelly, EdD

Northern Illinois University

Tessa McCarthy, PhD

University of Pittsburgh

Michele McDonnall, PhD

Mississippi State University, National Research and Training Center on Blindness and Low Vision

Olga Overbury, PhD

University of Montreal, School of Optometry

Rebecca Renshaw, PhD

Lavelle School for the Blind, Bronx, New York

Adam Wilton, PhD

Provincial Resource Centre for the Visually Impaired (PRCVI)

Publication Coordinator:

Marie Amerson, M.Ed.

Georgia Academy for the Blind; Georgia Braille Transcribers, Retired

The New RE:view Development Team

Recognizing the continued need for a journal of practice for professionals in our field, the following AER members formed the Development Team that conceptualized *The New RE:view*, formulated its policies and processes, and continues working to make the journal a reality.

Marie Amerson, Georgia

Shannon Darst, Texas

Jane Erin, Arizona

Tessa McCarthy, Pennsylvania

Mary Nelle McLennan, Pennsylvania

Bill Penrod, Illinois

Mark Richert, Virginia

Bill Wiener, North Carolina

The TNR Development Team sincerely thanks former AER staff member **Megan Doty** for her significant contributions to the development of AER's new journal.
