

JOURNAL OF CHIROPRACTIC EDUCATION AUTHORSHIP/COPYRIGHT FORM

Materials published in the *Journal of Chiropractic Education* in print (ISSN 1042-5055) and online (ISSN 2374-250X) are covered by copyright. All rights are reserved under United States and international copyright and other laws and conventions.

Each author must read and sign for the statements on 1) copyright, 2) authorship attribution and contribution, 3) conflict of interest, and 4) funding statement. **Each author** should upload this completed form to the submission website at the time of manuscript submission. Questions may be directed to the editor-in-chief at JChiroEd@aol.com.

For the manuscript entitled: _____

Assignment of Copyright

In consideration of the action of the *Journal of Chiropractic Education (J Chiropr Educ)* in reviewing, handling, and editing all the contents of this submission, I hereby transfer, assign, or otherwise convey all copyright ownership including all rights and incidental thereto, exclusively to the *J Chiropr Educ*, in the event that this work is published by the *J Chiropr Educ*. I affirm that this submission has not been previously published elsewhere in any medium (paper or electronic); the content has not been simultaneously submitted for publication elsewhere in any form, and is not subject to copyright or any other rights except my (our) own to be transferred to the *J Chiropr Educ*. I affirm that any content that has been previously published has been brought to the attention of the editor and appropriate attribution and authorizations have been provided. I understand that any instances of potential plagiarism or publication malpractice will be investigated by the editor using the policies delineated in the Submission Guidelines and Editorial Policy.

Authorship Attribution and Contribution

I confirm that I have contributed directly to the intellectual content of this paper and satisfy authorship requirements as stated at www.icmje.org :1) I have provided substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data; 2) I have been involved with drafting the article or revising it critically for important intellectual content; and 3) I have given final approval of the version to be published (authors should meet conditions 1, 2, and 3). If requested, I will provide the data and will cooperate fully in providing the data on which the manuscript is based for review by the editor. I agree to allow the corresponding author to make decisions regarding prepublication of this paper. I have contributed in the following areas: (check all that apply)

- Concept development (provided idea for the research or article, created the hypothesis)
- Design (planned the methods to generate the results)
- Supervision (provided oversight/responsible for the organization and implementation of the project and writing of the manuscript)
- Data collection/processing (responsible for experiments, patient management, organization, or reporting data)
- Analysis/interpretation (responsible for statistical analysis, evaluation, and presentation of the results)
- Literature search (performed the literature search and retrieve of articles)
- Writing (responsible for writing a substantive part of the manuscript)
- Critical review (revised manuscript for intellectual content prior to submission (not merely spelling and grammar checking))
- Other (list other specific novel contributions)

Conflict of Interest: Any conflicts of interest and financial interests on my behalf that exist (or may be perceived to exist) in connection with the content of this paper have been clearly disclosed to the *J Chiropr Educ* in the cover letter to the editor. **Each author** has completed an ICMJE form to declare any potential conflicts of interest.

Funding Statements: Sources of outside support of the project have been clearly stated in the cover letter, and the role of funding organizations, if any, in the conduct of the study is described in the appropriate section of the manuscript.

By signing, I confirm that I have read the instructions for authors as posted on the journal website www.journalchiroed.com, have complied with their contents, and with all of the above content of this agreement.
