

CALL FOR PAPERS

Journal of Immunotherapy and Precision Oncology

The *Journal of Immunotherapy and Precision Oncology (JIPO)* is seeking manuscript submissions for a special collection of articles on **brain metastases**, which will be edited by Dr. Ecaterina Dumbrava and featured in an upcoming issue of JIPO.

The Editors are seeking authors to write the following manuscripts:

- **Translational research in brain metastases: from molecular biology and immunology to drug development**
- **Multidisciplinary treatment approach of brain metastases: medical oncology, neurosurgery, radiation oncology**
- **Challenges in diagnosis and treatment of leptomeningeal disease (LMD)**
- **Imaging and diagnosis of brain metastases**

Original research, reviews, brief communications, editorials, commentaries, letters, case reports, and consensus statements are welcome.

Submission Deadline: December 31, 2020

About the Journal

JIPO is a peer-reviewed, open-access journal published quarterly in the USA. JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. For more information and to submit your article, go to jipoonline.org.
