CALL FOR PAPERS

Journal of Immunotherapy and Precision Oncology

The Journal of Immunotherapy and Precision Oncology (JIPO) is seeking manuscript submissions for a special collection of articles on immunity, microbes, and cancer, which will be edited by Dr. Joud Hajjar and featured in an upcoming issue of JIPO.

The Editors are seeking manuscripts on the following topics:

- Infections and cancer susceptibility (HPV, EBV, HIV, HLH, etc.)
- Microbiome and cancer immunotherapy (response, toxicity)
- Infections and immune dysregulation (e.g., COVID-19 in patients with cancer)
- Microbiome and patient-reported outcomes in cancer

Original research, reviews, brief communications, editorials, commentaries, letters, case reports, and consensus statements are welcome.

Submission Deadline: October 1, 2020

For more information and to submit your article, go to jiponline.org.

About the Journal

JIPO is a peer-reviewed, open-access journal published quarterly in the USA. JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. For questions or to propose a topic, please contact the Editorial Office: editor@innovationsjournals.com.
