

CALL FOR PAPERS

Journal of Immunotherapy and Precision Oncology

The *Journal of Immunotherapy and Precision Oncology (JIPO)* is seeking manuscript submissions for a special collection of articles on **phase 1 trial design**, which will be edited by Dr. Christophe Massard and featured in an upcoming issue of JIPO.

The Editors are seeking manuscripts on the following topics:

- **How to set up a phase 1 unit**
- **New study designs in early clinical trial**
- **How to run a histology agnostic clinical trial**
- **How to manage toxicities in phase 1 trials**
- **How to set up a molecular screening program**

Original research, reviews, brief communications, editorials, commentaries, letters, case reports, and consensus statements are welcome.

For more information and to submit your article, go to
jipoonline.org.

About the Journal

JIPO is a peer-reviewed, open-access journal published quarterly in the USA. JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. For questions or to propose a topic, please contact the Editorial Office:
