Journal of Immunotherapy and Precision Oncology

The *Journal of Immunotherapy and Precision Oncology (JIPO)* is seeking high-quality manuscript submissions that will appeal to a broad readership of healthcare professionals and scientists, especially those with an interest in oncology and immunology. The Editors will consider manuscripts about clinical and translational discoveries related to immunity, cancer, and immunotherapy, such as:

Immune System Function and Biology

New Therapeutic Approaches to Different Malignancies

Mechanisms of Resistance

Clinical Assessment

Prognostic or Predictive Markers

Innovative Targeted Therapy Advances

About the Journal

JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. JIPO publishes innovative original research articles related to translational science and clinical medicine, as well as review articles, editorials, case reports, letters, and guidelines.

JIPO is a peer-reviewed, open-access journal that is published quarterly by Allen Press (Lawrence, KS, USA). The Journal is owned by the Innovative Healthcare Institute (innovativehci.com).

For more information and to submit your article, go to www.jipoonline.org

For questions or to propose a topic, please contact the Editorial Office (editor@innovationsjournals.com).
