## ***Journal of Immunotherapy and Precision Oncology***

The *Journal of Immunotherapy and Precision Oncology (JIPO)* is seeking high-quality manuscript submissions that will appeal to a broad readership of healthcare professionals and scientists, especially those with an interest in oncology and immunology. The Editors will consider manuscripts about clinical and translational discoveries related to immunity, cancer, and immunotherapy, such as:

**Immune System Function and Biology**

**New Therapeutic Approaches to Different Malignancies,  
including Solid and Liquid Malignancies**

**Prognostic or Predictive Markers for Targeted Therapy**

**Mechanisms of Resistance**

**Clinical Assessment**

**Radiation Therapy**

**Innovative Digital Health / Telehealth Advances**

### **About the Journal**

JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. JIPO publishes innovative original research articles related to translational science and clinical medicine, as well as review articles, editorials, case reports, letters, and guidelines.

JIPO is a peer-reviewed, open-access journal that is published quarterly by Allen Press (Lawrence, KS, USA). The Journal is owned by the Innovative Healthcare Institute ([innovativehci.com](http://innovativehci.com)).
