

CALL FOR PAPERS

Journal of Immunotherapy and Precision Oncology

The *Journal of Immunotherapy and Precision Oncology* (JIPO) is seeking manuscript submissions for a special collection of articles on **genitourinary oncology**, to be edited by **Dr. Mehmet Asim Bilen** and featured in an upcoming issue of the journal.

The Editors will consider original research, reviews, brief communications, case reports, letters, and guidelines / consensus statements on the following topics (not limited to):

- Kidney cancer, prostate cancer, urothelial cancer, testicular cancer, adrenal cancer, and penile cancer
- Immune checkpoints approaches, novel immune therapeutics, and management of immune-related toxicities
- Targeted therapy for these cancers
- Biomarkers for these cancers

Please submit manuscripts by February 1, 2021.

For more information and to submit an article, visit jipoonline.org.

For questions or to propose a topic, please contact the Editorial Office (editor@innovationsjournals.com).

JIPO is a peer-reviewed, open-access journal published quarterly by the Innovative Healthcare Institute. JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology.
