

CALL FOR PAPERS

Journal of Immunotherapy and Precision Oncology

The *Journal of Immunotherapy and Precision Oncology (JIPO)* is seeking manuscript submissions for a special collection of articles on **radiation therapy**, which will be edited by Dr. Nina Sanford and featured in an upcoming issue of the journal. The Editors will consider original research, reviews, brief communications, case reports, letters, and guidelines / consensus statements on the following topics (not limited to):

- Radiation therapy for oligometastatic disease
- Radiation therapy in combination with immunotherapy and/or targeted therapies
- Studies on biomarkers predicting radiation response and/or toxicity

Please submit as soon as possible for inclusion in this collection.

About the Journal

JIPO is a peer-reviewed, open-access journal published quarterly in the USA. JIPO aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology.

For more information and to submit your article, go to <https://meridian.allenpress.com/innovationsjournals-JIPO>.

For questions or to propose a topic, please contact the Editorial Office (editor@innovationsjournals.com).
