

# CALL FOR PAPERS

The Journal of Immunotherapy and Precision Oncology (JIPO) aims to publish high-quality manuscripts related to the field of immunotherapy and precision oncology. JIPO publishes research articles, reviews, editorials, case reports, letters, and more. The Editors are seeking high-quality manuscripts about clinical and translational discoveries related to immunity, cancer, and immunotherapy, including but not limited to the following topics:

- **Immune System Function and Biology**
- **New Therapeutic Approaches to Different Malignancies, including Solid and Liquid Malignancies**
- **Prognostic or Predictive Markers for Targeted Therapy**
- **Mechanisms of Resistance**
- **Clinical Assessment**
- **Radiation Therapy**
- **Innovative Digital Health / Telehealth Advances**

Please visit the Journal website for instructions: [jiponline.org](http://jiponline.org).

All manuscripts must be submitted online to be considered for peer review and potential publication in the Journal.

If you have any questions about the Journal, feel free to check the website or contact the editorial office directly at [editor@innovationsjournals.com](mailto:editor@innovationsjournals.com).
