“The New Normal in Healthcare”

The ***Global Journal on Quality and Safety in Healthcare (JQSH)*** is seeking manuscripts about changes in the healthcare field driven by the COVID-19 pandemic.

Topics may include:

- Innovative healthcare programs introduced by your organization in response to COVID-19 crisis
- Interventions that improved the safety and/or quality of healthcare
- Sustainable healthcare transformation projects
- Defining the “new normal” in healthcare after COVID-19, including the impact on health economics and policy, research, and education.

Original research, quality improvement projects, reviews, case studies, evidence-based guidelines, letters, editorials, commentary, and perspective articles are welcome.

**For more information and to submit your article,
go to jqsh.org**

About the Journal

JQSH is a peer-reviewed, open-access journal published quarterly in the USA. JQSH aims to help healthcare professionals improve their practice by publishing evidence from real life examples of quality and safety improvement outcomes in various disciplines, environments, and countries. For questions or to propose a topic, please contact the Editorial Office: editor@innovationsjournals.com.
