The Owner(s) retain all trademark rights and all other proprietary rights, other than copyright, in any ideas or concepts disclosed in the Work, such as trade secret and patent rights. **5.0** The Owner(s) authorizes and requests the U.S. Copyright Office, and similar entities in foreign countries, to issue any and all registrations of the entire interest in the Works to NACE.

**6.0** The Owner(s) agree that any and all references to, and copies of, the final Work, or any part therein, shall give proper credit and deference to NACE. All copies of the Work or portions of the Work reproduced, distributed, or published in any form by Owner(s) must include notice of copyright to NACE, following the format "© NACE [year]" or "[Work], © NACE [year], used with permission."

**7.0** The Owner(s) acknowledges that if the Work was made, written, or created by one or more authors in the course of such author(s)' employment (or otherwise as a "work-made-for-hire" as defined in relevant copyright laws), or if Owner(s) has obtained ownership in the Work through other contractual obligations, then Owner(s) is the company for whom the Work was prepared or to whom the Work was transferred and this Agreement has been executed by an authorized representative of Owner(s) (in addition to the author(s)).

**8.0** This Agreement of the above Work constitutes the entire agreement between NACE and the Owner(s) pertaining to the Work and acknowledges that NACE reserves the right, but not the obligation, to publish and/or distribute all or part of the Work in derivative NACE works for the betterment of industry.

**9.0** This Copyright Transfer Agreement shall be governed and interpreted, construed, and enforced in accordance with the laws of the State of Texas, without regard to the choice of law provisions of that state.
