

This form must be properly completed and signed by an authorized person/company, and accompany any original article (hereafter, the "Work") submitted for publication and/or distribution by NACE International ("NACE") as Open Access with a Creative Commons license.

Title of publication: *CORROSION* journal

Title of the Work: \_\_\_\_\_

Type of Work: Article Other \_\_\_\_\_

Author(s): \_\_\_\_\_

The Author(s) [hereafter, "Owner(s)"] **must select one of the following Creative Commons usage licenses below**, specifying how the article may be used by the general public.

CC BY: Creative Commons Attribution 4.0 License.  
<https://creativecommons.org/licenses/by/4.0/>

This license allows others to copy, redistribute, remix, transform, and build upon the Work for any purposes, even commercially, as long as they give the Owner(s) appropriate credit for creation of the original Work.

CC BY-NC: Creative Commons Attribution No Derivatives 4.0 License.  
<https://creativecommons.org/licenses/by-nd/4.0/>

This license allows others to copy and redistribute the Work, as long as they give the Owner(s) appropriate credit for creation of the original Work. They can reuse the Work for both commercial and noncommercial purposes, and cannot distribute any edited or changed version of the original Work.

CC BY-NC-ND: Creative Commons Attribution Non-Commercial No Derivatives 4.0 License. <https://creativecommons.org/licenses/by-nc-nd/4.0/>

This license allows others to copy and redistribute the Work, as long as they give the Owner(s) appropriate credit for creation of the original Work. They cannot reuse the Work commercially or distribute any edited or changed version of the original Work.

- 1.0 The Owner(s) hereby grants to NACE and its successors and assigns an exclusive, worldwide, sublicensable, royalty-free publishing and distribution license in the Work named above [hereafter, "License"], effective when the Work is accepted by NACE in any form. The Owner(s) retain ownership of the Work and all proprietary rights therein, including copyright, trademark, trade secret, and patent rights. The License shall be exclusive to NACE; provided, however, that Owner(s) shall retain the same rights in the Work as those granted to NACE and its successors and assigns here-in.
- 2.0 The License granted to NACE and its successors and assigned by the Owner(s), as the holder of the copyright, includes rights in the Work to:
  - a. Publish, republish, distribute, transmit, sell, store, translate, create derivative works, and otherwise use the Work in whole or part.
  - b. Reproduce figures, photographs, charts, or graphs appearing in the Work in print, electronic, and all other media.
  - c. License others to do any of the above without further permission or consent from Owner(s).
  - d. Enforce the rights granted here-in against third parties and settle any enforcement actions without further permission or consent from Owner(s).
- 3.0 The undersigned author represents, warrants, and ensures that s/he:
  - a. Is the Owner of the Work.
  - b. Can and does hereby verify that the Work is original and not published or distributed elsewhere.
  - c. Has been granted full power and authority to grant the License here-in.
  - d. Can and does hereby verify that the Work does not violate any copyright or other proprietary right of any third party or create a liability owed to any third party, or contain any libelous statements.
  - e. Has not disclosed any confidential information in the Work.
  - f. Can and does hereby agree to indemnify, defend, and hold harmless NACE and its directors, officers, employees, and agents against infringement claims, misappropriation claims, or claims of ownership by parties other than Owner(s) in regards to the Work specified above.
- 4.0 The Owner(s) acknowledges that NACE has made no representation or warranty that the Work will be presented, published, or otherwise used as contemplated by NACE or the Owner(s).
- 5.0 All copies of the Work or portions of the Work in any form must include notice of copyright and a citation to the final published version by NACE, following the format "© Owner(s) [year]. Published by NACE and distributed under CC BY-[short version of license]"

- 6.0 The Owner(s) agree that any and all references to, and copies of, the final Work, or any part therein, shall give proper credit and deference to NACE as provided in the notice of copyright above.
- 7.0 The Owner(s) acknowledges that if the Work was made, written, or created by one or more authors in the course of such author(s)' employment (or otherwise as a "work-made-for-hire" as defined in relevant copyright laws), or if Owner(s) has obtained ownership in the Work through other contractual obligations, then Owner(s) is the company for whom the Work was prepared or to whom the Work was transferred and this Agreement has been executed by an authorized representative of Owner(s) (in addition to the author(s)).
- 8.0 This Agreement of the above Work constitutes the entire agreement between NACE and the Owner(s) pertaining to the Work and acknowledges that NACE reserves the right, but not the obligation, to publish and/or distribute all or part of the Work in derivative NACE works for the betterment of industry.
- 9.0 This License Agreement shall be governed and interpreted, construed, and enforced in accordance with the laws of the State of Texas, without regard to the choice of law provisions of that state.

*I hereby license to the Work named above to NACE, under the terms outlined above and hereby certify that I am a self-employed author or authorized by my employer to license the Work named above to NACE.*

Print Name and Title: \_\_\_\_\_

#### U.S. Government Work

A contribution prepared by a U.S. federal government employee as part of the employee's official duties is called a "U.S. Government work," and it is in the public domain in the United States. Author(s) acknowledges that the Work will be published in the United States and other countries. To the extent Author(s) retains any, or all, of the rights in the Work then Author(s) signature below indicates assignment of such rights pursuant to the terms of this.
