I AGREE TO THE CONDITIONS LISTED BELOW OR HAVE EXPLAINED IN THE SPACE PROVIDED:

Scientific Responsibility Statement

I certify that I have participated sufficiently in the work to take responsibility for a meaningful share of the content of this manuscript, and I affirm that I qualify as an author based on the following ICMJE criteria:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
- Drafting the work or revising it critically for important intellectual content; AND
- Final approval of the version to be published; AND
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Note: Contributors who do not meet the criteria for authorship should be acknowledged.

Exclusive Publication Statement

I certify that none of the material in this manuscript has been published previously, and that none of this material is currently under consideration for publication elsewhere. This includes symposia, transactions, books, articles published by invitation, and preliminary publications of any kind except an abstract of 400 words or less. If publication in the *Texas Heart Institute Journal* is not to be exclusive in one or more of these respects, explain the nature of the proposed exception below, in order to permit evaluation by the editors.

Conflict of Interest

I certify that I have no commercial associations that might pose a conflict of interest in connection with this manuscript. Disclose any conflicts of interest in the space provided below.

Copyright Transfer Agreement

In the event that the above-named manuscript is accepted for publication in the *Texas Heart Institute Journal*, copyright is hereby transferred to the Texas Heart Institute to the extent transferable under applicable law (some U.S. Governments works excepted*). All authors of this work reserve the following rights, with the provision that copies made in these circumstances will continue to carry the copyright notice that appeared in the published original: 1) the right to reuse all or part of this material in textbooks or clinical books that they have authored; 2) the right to make copies of the published work for educational use within their own institutions.
