

# Mosquito Sampling Collection Sheet

Please complete the survey below.

Thank you!

## Label the plastic bag with the following information:

1. Researcher ID
2. Date of collection
3. Sampling Site

Researcher ID

---

Date of Collection

---

Time of Collection

- Morning (12:00 am - 11:59 am)  
 Afternoon (12:00 pm - 4:59 pm)  
 Evening (5:00 pm - 11:59 pm)

## Weather Conditions

Most Recent Rain Event:

---

Temperature (Celsius)

---

Relative Humidity (%)

---

Is it WINDY?

- Yes  
 No

## Sampling Sites and Description

Sampling Site A001

- Other

Provide a name for this green infrastructure

---

GPS Latitude Coordinates (Decimal Degree)

---

GPS Longitude Coordinates (Decimal Degree)

---

Are you sampling a green infrastructure

- Yes    No

Green Infrastructure Type

- Pond  
 Retention basins  
 Curb cuts  
 Recreational Green Space  
 Other  
 (You can select more than one)

Other Green Infrastructure Type

\_\_\_\_\_

Does this green infrastructure looks well maintained?

- Yes  No

Is there any of the following present?

- Blockage (i.e. sand bags)  
 Debris (i.e. leaves, other dead vegetation, etc.)  
 Trash (i.e. water bottles, papers, tires, etc.)  
 None  
 Other

Describe what other things are present

\_\_\_\_\_

What is the character of the vegetation within the green infrastructure?

- Maintained (vegetation appears intentional, spaced)  Natural (overgrown, unmaintained)  None (bare)

Is there any SHADE?

- Yes  
 No

Is the sampling site fully drained or DRY?

- Dry - No evidence of having rained  
 Damp - No visible water but evidence of having received rain  
 Wet - With pockets of water  
 Wet - with standing water

How much water is stagnant (cm)?

\_\_\_\_\_

### Mosquito/Larva Sampling

Are there ADULT mosquito present?

- Yes  No

Are there mosquito LARVA present?

- Yes  No

Estimated number of larvae collected

\_\_\_\_\_

Are there mosquito PUPAE present?

- Yes  No

Estimated number of pupae collected

\_\_\_\_\_
