

Ob/Gyn Community Health Survey

Thank you for taking the time to participate in this research study. This survey will take approximately 5-15 minutes to complete. We are interested in learning about the opportunities Ob/Gyn residents have to train in community health or underserved settings. Either the program director, associate program director or program coordinator may respond to the survey. Please know that your participation in this study is completely voluntary and you can chose to end it at any time. There are minimal risks of a breach of privacy or confidentiality, and we will not collect any personally identifiable health information. All participants will be de-identified once all the data has been collected.

If you have any questions, concerns or complaints about this research or experience any problems, you should contact Dr. Rose Molina at [617] 667-0887 or rmolina@bidmc.harvard.edu. You may also contact the Human Subject Protection Office at [617] 975-8500 if you have any questions or concerns you wish to share with Beth Israel Deaconess Medical Center representatives that are not in any way affiliated with this study staff.

Question 1

Are you a residency program director, associate director, coordinator, or other?

- Program Director
- Associate Director
- Program Coordinator
- Other

Other:

If Program Director or Associate Director, when did you complete residency training?

- 1950
- 1951
- 1952
- 1953
- 1954
- 1955
- 1956
- 1957
- 1958
- 1959
- 1960
- 1961
- 1962
- 1963
- 1964
- 1965
- 1966
- 1967
- 1968
- 1969
- 1970
- 1971
- 1972
- 1973
- 1974
- 1975
- 1976
- 1977
- 1978
- 1979
- 1980
- 1981
- 1982
- 1983
- 1984
- 1985
- 1986
- 1987
- 1988
- 1989
- 1990
- 1991
- 1992
- 1993
- 1994
- 1995
- 1996
- 1997
- 1998
- 1999
- 2000
- 2001
- 2002
- 2003
- 2004
- 2005
- 2006
- 2007
- 2008

Downloaded from <http://meridian.allenpress.com/jgme/article-supplement/421186/pdf/jgmed190003911> by guest on 01 October 2023

If Program Director or Associate Director, have you completed a sub-specialty fellowship?

- Yes
 No

If Yes, please check which fellowship.

- Maternal Fetal Medicine
 Gynecologic Oncology
 Minimally Invasive Gynecologic Surgery
 Urogynecology
 Reproductive Infertility and Endocrinology
 Other

Other Fellowship:

If Program Director or Associate Director, have you ever worked clinically in a community health center (CHC) as an attending?

- Yes
 No

If Yes, do you currently work in a CHC?

- Yes
 No

Question 2

How many Community Health Centers (CHCs) are affiliated with your department?

- 0
 1
 2
 3
 4
 5
 6
 7
 8
 9
 10
 Greater than 10

If greater than 10, how many CHCs are associated with your department?

Name of CHC #1:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
 No
 I'm Not Sure

Can residents rotate at this CHC?

- Yes
 No

If Yes, in what PGY year does the rotation occur?

- PGY1
 PGY2
 PGY3
 PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is PGY3 the rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Name of CHC #2:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
 No
 I'm Not Sure

Can residents rotate at this CHC?

- Yes
 No

If Yes, in what PGY year does the rotation occur?

- PGY1
 PGY2
 PGY3
 PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
 Financial challenges
 Administrative challenges
 Not enough clinical coverage
 No appropriate clinical supervision
 Preference to stay at medical center
 Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Name of CHC #3:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
- No
- I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

Downloaded from <http://meridian.allenpress.com/jgme/article-supplement/421186/pdf/jgme190003911> by guest on 01 October 2023

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Name of CHC #4:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
- No
- I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

Downloaded from <http://meridian.allenpress.com/jgme/article-supplement/421186/pdf/jgmed19000391> by guest on 01 October 2023

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Name of CHC #5:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
 No
 I'm Not Sure

Can residents rotate at this CHC?

- Yes
 No

If Yes, in what PGY year does the rotation occur?

- PGY1
 PGY2
 PGY3
 PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
 Financial challenges
 Administrative challenges
 Not enough clinical coverage
 No appropriate clinical supervision
 Preference to stay at medical center
 Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- _____
- _____
- Lack of shared mission
 - Financial challenges
 - Administrative challenges
 - Not enough clinical coverage
 - No appropriate clinical supervision
 - Other

Other:

Please explain the reasons cited above.

Name of CHC #6:

Is this CHC considered a federally qualified health center (FQHC)?

- _____
- Yes
 - No
 - I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

Name of CHC #7:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
- No
- I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

Downloaded from <http://meridian.allenpress.com/jgme/article-supplement/421186/pdf/jgmed19000391> by guest on 01 October 2023

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

 Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
 Financial challenges
 Administrative challenges
 Not enough clinical coverage
 No appropriate clinical supervision
 Preference to stay at medical center
 Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- _____
- _____
- Lack of shared mission
 - Financial challenges
 - Administrative challenges
 - Not enough clinical coverage
 - No appropriate clinical supervision
 - Other

Other:

Please explain the reasons cited above.

Name of CHC #9:

Is this CHC considered a federally qualified health center (FQHC)?

- _____
- Yes
 - No
 - I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

How many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

If Yes, is the rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- _____
- Continuity Clinic
 - Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Name of CHC #10:

Is this CHC considered a federally qualified health center (FQHC)?

- Yes
- No
- I'm Not Sure

Can residents rotate at this CHC?

- Yes
- No

If Yes, in what PGY year does the rotation occur?

- PGY1
- PGY2
- PGY3
- PGY4

How long is the PGY1 rotation?

Is the PGY1 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY1 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the PGY2 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY2 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the PGY3 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY3 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the PGY4 rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
- Ambulatory Rotation

Is the PGY4 rotation mandatory or elective?

- Mandatory
- Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Preference to stay at medical center
- Other

Other Challenges:

Please explain the reasons cited above.

If No, what are some reasons why residents are not able to rotate at this CHC?

- Lack of shared mission
- Financial challenges
- Administrative challenges
- Not enough clinical coverage
- No appropriate clinical supervision
- Other

Other:

Please explain the reasons cited above.

Question 3

Is there an opportunity for residents to rotate at any CHC not affiliated with your department?

- Yes
 No

If Yes, in what PGY year does the rotation occur?

- PGY1
 PGY2
 PGY3
 PGY4

How long is the PGY1 rotation?

Is the rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY2 rotation?

Is the rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY3 rotation?

Is the rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

How long is the PGY4 rotation?

Is the rotation a continuity clinic or an ambulatory rotation?

- Continuity Clinic
 Ambulatory Rotation

Is the rotation mandatory or elective?

- Mandatory
 Elective

If elective, how many residents per year elect to rotate at this CHC on average?

If elective, what are some reasons why some residents choose not to rotate at CHCs?

- Lack of shared mission
 Financial challenges
 Administrative challenges
 Not enough clinical coverage
 No appropriate clinical supervision
 Preference to stay at medical center
 Other

Other:

Please explain the reasons cited above.

Question 4

Please describe any other exposure for residents to medically underserved populations.

- Global Health
- Indian Health Services
- Rural Hospitals
- Homeless Shelters
- Prison Systems
- Veteran's Affairs
- Other
- No other exposure for residents to medically underserved populations

Other:

How would you categorize this global health experience?

- Clinical
- Research
- Education
- Other

Other:

How would you categorize this Indian Health Services experience?

- Clinical
- Research
- Education
- Other

Other:

How would you categorize this rural hospital experience?

- Clinical
- Research
- Education
- Other

Other:

How would you categorize this homeless shelter experience?

- Clinical
- Research
- Education
- Other

Other:

How would you categorize this prison system experience?

- Clinical
- Research
- Education
- Other

Other:

How would you categorize this Veteran's Affairs experience?

- Clinical
- Research
- Education
- Other

Other:

Downloaded from <http://meridian.allenpress.com/jgme/article-supplement/421186/pdf/jgmed19000391> by guest on 01 October 2023

How would you categorize this residency experience?

- Clinical
- Research
- Education
- Other

Other: _____

Question 5

How many residents are in the current graduating class?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10
- 11
- 12
- 13
- 14
- 15
- 16
- 17
- 18

How many of these residents do you expect will work in a CHC upon graduation?

- 0
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10
