Supplementary Data

2022 ACP IM-ITE Resident Questionnaire Survey Questions

Your responses are confidential and will not be linked to your identification number. Your Program Director will not have access to any of the information that is unique to your program. Some data will be used to understand training issues and perspectives and may be shared with the wider community in scholarly publications and presentations. These data will be de-identified as to the responder and the institution.

1. How satisfied were you in the information you gathered from *all interview day experiences*, toward the goal of making an informed rank list?

- Very unsatisfied
- Somewhat unsatisfied
- Neither satisfied nor unsatisfied
- Somewhat satisfied
- Very satisfied

2. How confident were you in your ability to choose amongst *all the residency programs* at which you interviewed, based on information you gathered on your interview day alone?

- Very unconfident
- Somewhat unconfident
- Neither confident nor unconfident
- Somewhat confident
- Very confident

3. How successful were you in gathering information about your *current residency program*, based on your interview day alone?

- Very unsuccessful
- Somewhat unsuccessful
- Neither successful nor unsuccessful
- Somewhat successful
- Very successful

4. How accurately was your *current residency program's* culture portrayed during your interview day?

- Very inaccurate
- Somewhat inaccurate

Henschen BL, Ratcliffe TA, Alexandraki I, Harris L, Weinstein AR. Comparing perceptions of virtual and in-person interviews: results from a national survey of internal medicine residents. *J Grad Med Educ*. 2024;16(3):296-303. DOI: <http://dx.doi.org/10.4300/JGME-D-23-00805.1>

- Neither accurate nor inaccurate
- Somewhat accurate
- Very accurate

5. Which of the following factors was the most important in helping you make an informed rank list?
Please select only one.

- Introductory material (e.g. program director introduction, informational session about program, materials provided from residency)
- Sessions with residents (including Q&A, panel discussions, happy hour/dinner)
- One-on-one interviews
- Conversations with peers, residents, mentors, or advisors at your medical school
- Informal conversations with residents or representatives at residency programs
- Information from online sources curated by residency (e.g. residency website)
- Information from other online sources (e.g. Reddit, StudentDoctorNet)
- Completing an away rotation
